ROBERT G SCHNEEBERG

NOSTALGIC EARLY AMERICAN SCENES

These 12 delightful paintings by Robert G Schneeberg illustrate the charm of early America. ** *In the January scene,* **HOME FOR THE HOLIDAYS**, *a train loaded with holiday visitors pulls into the station at Bucks County, Penn.* ** *The setting of* **AFTER THE BIG SNOW** *the February scene is repeated for August and October to show the changing seasons.* ** **REDDING'S GRIST MILL** *in March suggests the first thaw and the promise of spring.* ** *Although the Dutch of southeastern Pennsylvania lived in simple homes, their barns were as splendid and imposing as* **THE DUTCH PALACE** *for April.* ** *May's river steamer,* **THE K. C. QUEEN**, *traveled the waterways of the Midwest during the 1800's.* ** *On a June day a* **LITTLE RED TROLLEY** *carries tourists past the mansions of the rich and the famous on Sunset Boulevard in Los Angeles.* ** **SUMMER IN WILLIAMSBURG** *shows the ordered symmetry of colonial Virginia in July.* ** *Everyone is busy on an August afternoon in* **VALLEY FORGE**.** *The whaler "Peace" docks at* **MYSTIC SEAPORT, CONN.** *on a brisk September day.* ** *The beautiful colors of Pennsylvania at harvest time come alive in an October scene,* **OAK MANOR IN THE FALL**.** *Summer lingers on in November as* **THE RIDGELEY STAGE** *meets the train from the East at a sun-baked western settlement.* ** *The December scene,* **CHRISTMAS ON TREMONT ST.**, *is reminiscent of the grand homes found in Boston around 1860.*

As you turn the pages, look for the small, grey cat without a tail in each picture. His name is Claude. He likes to travel.
